THE WAY WE WERE

This year the Newsletter has been published for 21 years. The first issue appeared in April 1999 and it has been a regular on your doorstep ever since.

The restriction on activities taking place in the village presents an opportunity to look at news, stories and snippets from the last two decades. Some may jog memories and some will be new to more recent arrivals to the village, but we hope all will be of interest.

In 1999 a survey regarding a possible newsletter was carried out in the village with a positive response from 94% of residents. Grants were being applied for but the first issue was a simplified version of the current Newsletter and contained news of a quiz for the Millennium fund, Open gardens, items for sale and WI news - nothing changes!

2000 saw the start of many projects, the Drop-in Lunch, The Millennium book (formerly called The Domesday Book) and of course the Newsletter. A grant had also been awarded from the Help the Aged Millennium Grant Programme. This enabled the Newsletter to be produced in better quality and more efficiently.

A special event for the Millennium was a Mediaeval May Fair which included a Medieval Drama, Elizabethan Singers and Jugglers.

Harwood Bonas (from Tree Tops) took on the project of co-ordinating the renovation of the Chapel Clock, which was completed in September 2000.

These are just a few events from 2000, we hope to re-visit past issues in the coming months, so please watch this space ...

CAG UPDATE - INTERPRETATION BOARD

Many of you may have seen the planning application to The North York Moors National Park on the village notice board. This is for an 'Interpretation Board' on the village green.

This project is being undertaken by CAG, with the support of the Parish Council who have approved this initiative.

It is intended that the Interpretation Board will be located on the village green, by the side of the river near to the village green car parking donations box.

The board will provide information about the village, notably its historic features etc, and details and maps of walks in the surrounding area.

We are pleased to announce the National Park gave planning permission on 16 June 2020.

Work will now proceed to commission the Interpretation Board, which will be funded from monies raised by CAG activities and we hope to secure a community grant from Ryedale District Council.

Norma Rees and Jane Staley, CAG Coordinators

CHURCH AND CHAPEL

As you can understand in the current situation it is not possible to hold our usual services. We hope to be able to resume these in some form as soon as it is appropriate and safe to do so. During the Newsletter 2-month summer break please check the village and church noticeboards for the latest news.
